

Now Showing on a Television Near You:

# How engineers make a world of difference

“TV programs on science, technology, engineering and mathematics are probably more plentiful than most people realize. These shows demonstrate how engineering can be used to solve problems and can be a lot of fun. One important result is that they will help to interest kids in math and science careers.”

— Paul J. Kostek, Vice President for Communications and Public Awareness, IEEE-USA

## Partial List of TV Programs in 2008-09 on Science, Technology, Engineering and Mathematics

*Beyond Tomorrow,*  
The Science Channel

*The Big Bang Theory,* CBS

*Bones,* Fox

*Build It Bigger,*  
Discovery Channel

*Cool Fuel,*  
The Science Channel

*CSI; CSI Miami;*  
*CSI New York,* CBS

*Curious George,* PBS

*Cyberchase,* PBS

*Design Squad,* PBS

*Eleventh Hour,* CBS

*Engineering an Empire,*  
The History Channel

*Explore More,* PBS

*Extreme Engineering,*  
Discovery Channel

*Fetch! with Ruff Ruffman,*  
PBS

*Fringe,* Fox

*Future File,* The Science  
Channel

*Gazing Into Space,*  
The Science Channel

*Greatest Discoveries,*  
The Science Channel

*Heroes,* NBC

*Invention Nation,*  
The Science Channel

*It's All Geek to Me,*  
The Science Channel

*Junkyard Mega Wars,* TLC

*Mega Disasters,*  
The History Channel

*Modern Marvels,*  
The History Channel

*NASA TV,* NCIS, CBS

*NUMB3RS,* CBS

*The Universe,* The History  
Channel

*The Works,* The History  
Channel
