

IEEE★USA CONFERENCEBRIEF

The IEEE-USA Conferences Committee Newsletter for IEEE-USA Co-sponsored Conferences

Volume 7, Number 1 | 1st Quarter 2018

Happy New Year! We are delighted to provide you with your first quarter IEEE-USA Conference Brief newsletter.

In 2018, IEEE-USA continues to offer a valuable portfolio of co-sponsored conferences and exhibitions— assembled over the past six years—intended to address diverse areas of policy and professionalism in IEEE’s technical fields of interest. Please consider making a presentation at, or attending, some of them.

We often get emails asking why one of your favorite conferences is not in our calendar. Our IEEE-USA conference calendar only includes those conferences or events that IEEE-USA co-sponsors, or where it exhibits. As always, if you know of a conference, seminar, or workshop you think IEEE-USA should consider co-sponsoring—or if you have an idea for a new local or national event—please don’t hesitate to contact us.

We are looking forward to seeing you at these events!

Best regards,

David Green (d.green@ieee.org)
Chair, IEEE-USA Conferences Committee

Charles Rubenstein (c.rubenstein@ieee.org)
Chair, IEEE-USA Conferences Committee
