

IEEE★USA CONFERENCEBRIEF

The IEEE-USA Conferences Committee Newsletter for IEEE-USA Co-sponsored Conferences

Volume 7, Number 3 | 3rd Quarter 2018

Happy Summer! We are delighted to provide you with your third quarter *IEEE-USA Conference Brief* newsletter.

In 2018, IEEE-USA continues to offer a valuable portfolio of co-sponsored conferences and exhibitions -- assembled over the past six years -- intended to address diverse areas of policy and professionalism in IEEE's technical fields of interest. Please consider making a presentation at, or attending, some of them.

We often get emails asking why one of your favorite conferences is not in our calendar. Our IEEE-USA conference calendar **only** includes those conferences or events IEEE-USA co-sponsors, or where it exhibits. As always, if you know of a conference, seminar, or workshop you think IEEE-USA should consider co-sponsoring -- or if you have an idea for a new local or national event -- please do not hesitate to contact us.

We are looking forward to seeing you at these events!

Best regards,

David Green (d.green@ieee.org)
Chair, IEEE-USA Conferences Committee

The IEEE-USA Conference Brief is produced quarterly by the team of David Green, Georgia C. Stelluto and Greg Hill

UPCOMING CONFERENCES (Co-sponsored and/or where IEEE-USA has an Exhibition Booth)

2018 IEEE-USA Conferences Calendar

When	Where	Conference
5-10 Aug	Portland, Ore.	IEEE PES General Meeting (PES GM)
22-23 Sep	Queens, N.Y.	World Maker Faire New York
18-21 Oct	San Jose, Calif.	IEEE Global Humanitarian Technology Conference (GHTC)
23-24 Oct	Woburn, Mass.	IEEE Int'l Symposium on Technologies for Homeland Security (HST)
8-10 Nov	New York, N.Y.	IEEE Ubiquitous Computing, Electronics & Mobile Communications Conf. (UEMCON)
11-13 Nov	Long Beach, Calif.	IEEE Conference on Technologies for Sustainability (SusTech)
13-14 Nov	Washington, D.C.	2018 IEEE International Symposium on Technology and Society
29 Nov - 1 Dec	White Plains, N.Y.	IEEE WIE Forum USA East 2018
1 Dec	Philadelphia, Pa.	IEEE Signal Processing in Medicine and Biology (SPMB)
11-13 Dec	Huntsville, Ala.	IEEE Wireless in Space and Extreme Environments (WiSEE)
7-9 Jan 2019	Las Vegas, Nev.	9th Annual IEEE Computing and Communication Workshop and Conference (CCWC)

FEATURED CONFERENCES

2018 IEEE Global Humanitarian Technology Conference (GHTC)

Conference Date: 18-21 October 2018

Location: San Jose, Calif.

Web: <http://2018.ieeeghtc.org/>

IEEE GHTC focuses on advancing technology for the benefit of humanity. This cross-disciplinary annual conference provides the perfect venue for those interested in humanitarian projects to join their peers in San Jose, California (USA), in October 2018.

GHTC is an international flagship conference, focused on bringing together people working on the application of technology to address critical issues for the benefit of the world's resource-constrained and vulnerable populations. It is a forum where IEEE works with developers and NGOs to identify the world's most pressing needs. We encourage participants from academia, for-profit and non-profit businesses, governmental and non-governmental organizations to attend and present research, ideas, and other considerations for the creation of effective humanitarian technology. We also invite participants to share case studies and lessons learned from deployment and application of humanitarian technologies.

2018 IEEE International Symposium on Technologies for Homeland Security (HST2018)

Conference Date: 23-24 October

Location: Woburn, Massachusetts

Web: <http://ieee-hst.org/>

This symposium brings together innovators from leading academic, industry, businesses, Homeland Security Centers of Excellence and government agencies discuss ideas, concepts and experimental results.

2018 IEEE INTERNATIONAL SYMPOSIUM ON
TECHNOLOGIES FOR HOMELAND SECURITY

About the IEEE-USA Conference Brief
