

IEEE★USA CONFERENCEBRIEF

The IEEE-USA Conferences Committee Newsletter for IEEE-USA Co-sponsored Conferences

Volume 8, Number 4 | 4th Quarter 2019

Happy Fall!

We are delighted to provide you with your fourth quarter 2019 IEEE-USA Conference Brief newsletter.

In 2019, IEEE-USA continues to offer a valuable portfolio of co-sponsored conferences and exhibitions — assembled over the past seven years — intended to address diverse areas of policy and professionalism in IEEE's technical fields of interest. Do consider making a presentation at, or attending, some of them.

We often get emails asking why one of your favorite conferences is not in our calendar. Our IEEE-USA conference calendar *only* includes those conferences or events IEEE-USA co-sponsors, or where it exhibits. As always, if you know of a conference, seminar, or workshop you think IEEE-USA should consider co-sponsoring — or if you have an idea for a new local or national event — please do not hesitate to contact us.

We are looking forward to seeing you at these events!

Best regards,

Bob Parro (conferences@ieeeusa.org)
Chair, IEEE-USA Conferences Committee

The IEEE-USA ConferenceBrief is produced quarterly by the team of Bob Parro, Georgia C. Stelluto and Greg Hill.
